

Please familiarize yourself with this Carpool diagram and the instructions on the following pages BEFORE the first day of school. If you have any questions prior to school beginning, please call or email the Preschool office at 919-453-0388 or preschool@hopelutheranwf.org. Please be patient, as this process will be new for some families. Thank you!

GENERAL CARPOOL INSTRUCTIONS

- For everyone's safety, cell phone use is not permitted when in the carpool line. We will not load or unload your child if you are on your phone.
- Please wear a mask when dropping off and picking up your child.
- For everyone's safety, passing and/or going around another car is not permitted. Once you enter the carpool lane you will have to follow the traffic pattern until you can safely exit the parking lot.
- Please enter and exit from Rogers Rd, as this helps with traffic flow.
- Traffic is single file, following the pattern through the parking lot until you reach the sign to split.
- At this point, begin two lanes of traffic. If you have a **GREEN** tag, you will keep to the left. If you have a **YELLOW** tag you will keep right. **If you have siblings with both a green and a yellow tag**, please follow the directions for the **YELLOW** tag.
- Please be sure your carpool tag is hanging from your review mirror or attached to the passenger side visor, where it is easily visible from the outside. If you have 2 different tags, display one on the mirror and one on the visor.

If you are in the **YELLOW** lane:

- Follow traffic until you pull into the Drop Off/Pick Up Zone, in spots 1, 2, or 3, as indicated by orange traffic cones. A staff member will conduct your child's health screening, help your child from the car and escort them to the building, where one of their teachers will be waiting.
- Once your child has been dropped off, you will be directed to turn at the second right, and follow the traffic pattern to exit onto Rogers Rd.
- When you get to Rogers Rd, you will need to turn right in order to keep traffic flowing.

If you are in the **GREEN** lane:

- When you reach the sign to split, keep to the left.
- Follow traffic until you reach the first stop sign. You will then be directed to turn right, so you can continue into the circle for drop off.

A staff member will conduct your child's health screening, help your child from the car and escort them to their class spot, where one of their teachers will be waiting to escort them into the building.
- Once you have dropped off your child, please continue around the circle and keep right to exit onto Rogers Rd.
