

Dear Hope Lutheran Preschool Families,

Here at Hope, we continue to do our very best to react carefully and appropriately to the ever-changing developments related to the coronavirus outbreak. We are praying for our community, and for all of you, relying on the goodness and grace of our Lord Jesus Christ.

With regret, I wish to inform you that Hope's Preschool program will be closed for at least the next two weeks, beginning on Monday, March 16. We are saddened by this decision, knowing that it will impact many families adversely; and, yet, we feel it is very important to comply with the guidance of local and state government and health officials regarding social distancing and gatherings.

At this time, we are not currently aware of anyone in the Hope community who has tested positive for coronavirus, or has been directly exposed to a person who tested positive; but we are asking anyone in the Hope community for whom that is the case to let us know immediately.

Further information regarding pre-paid tuition will be shared once we have this information. We look forward to re-opening our Preschool as soon as possible, and will communicate with you as decisions are made.

Please call the Preschool office on Monday if you have questions or concerns.

God's blessing to you and yours,

Regina W. Fisher
Director
