

Mission Moments

Life is Wild ~ God is Good!

Hope's Vacation Bible School was June 17-21 and hosted 652 children during the daytime & evening sessions.

This year's Vacation Bible School was ROAR: Life Is Wild ~ God is Good! The main theme carried throughout the week was how God is good in all things and is there for us always.

The kids experienced African-themed music and crafts such as making drums, necklaces, and lions to name a few.

Most of the week was spent learning about the Israelites and how God has rescued them, been good to them, been there for them, even during hard and sad times.

The lessons came together at the end of the week when the campers learned how God is with them by giving us Jesus to be our ultimate sacrifice and to rescue us from the sin of this world.

Vacation Bible School - Thank You!

New this year to VBS was Safari Surprise, which featured live animals, games, and a visit from former DCE Krista Young's daughter, Grace. The Young family have been missionaries in Africa for the past few years. Grace was able to teach everyone cool things about Africa and the children really embraced the message every day that God is good!

A huge thank you to all the volunteers both before and during VBS that made this week extra special for so many children. A special shout-out to the VBS Directors: Tonya Watt, Angie Meyer, Briana Evans, Lauren Habers, Amy Crenshaw, Wesley Spottiswood, Steve McCarthy, and Beth Agner. Also thank you to the Junior Directors: Emily Minor and Alexis Wood.
